INFORMATION DISCLOSURE STATEMENT

Sir:

In accordance with 37 C.F.R. § 1.97, enclosed are references relating to the above-identified application. These references were cited in the International Search Report of the PCT application corresponding to the above-identified application. For the convenience of the Examiner, these references are listed on the attached Form PTO-1449 and a copy of each is enclosed herewith. A copy of a communication from a foreign patent office in a counterpart application is also enclosed.

It is respectfully requested that these references be considered in the examination of this application and their consideration be made of written record in the application file.
